# 2010 Community Investment Program Celebrations Grant for Major Parades Guide

## **Purpose:**

To assist, through limited financial assistance, with the production of major parades within the City of Edmonton.

## **Who Can Apply:**

Applicants must be the organization producing the parade, have not-for-profit status and be incorporated for at least one year prior to applying for a Parade grant.

## **Event Eligibility:**

- The parade must have as its main purpose the celebration of some theme of interest and appeal to the general public;
- The parade must occur within the corporate limits of the City of Edmonton;
- The parade must have an obvious presence in the community;
- Parades entries must be open and not restricted to members of a certain group or organization.

Grants will **NOT** be available for:

- Community Parades (road event attracting spectators from local community and appealing to specific neighbourhoods or geographical area);
- Procession or marches (road event not intended to attract spectators with limited public appeal);
- Fund Raisers.

## **Level of Support:**

Grants will be considered in support of direct operating costs. The maximum Parade Grant to any Applicant will not normally exceed 25% of eligible expenses.

## **Eligible Expenses** include:

- Expenses paid directly to the City of Edmonton for services that only the City can provide (i.e.: policing costs, road closures, parking meter costs) and
- Expenses paid directly to the City of Edmonton where parade organizers could use alternate suppliers (i.e.: rental of City owned facility to supply washrooms) and
- Expenses for supplies and services not paid to the City of Edmonton (i.e.: publicity, marketing, volunteer support, administration, talent)

In all cases, expenses that are offset by a donation in-kind by the supplier will be recognized as equal to cash expenses but exact and detailed verification of those in-kind donations and expenses must be provided by applicants.

While the value of volunteer time is indisputable, this program does not include a cash valuation of that expense and corresponding donation.

Other City support for the organization will not make any applicant ineligible for a Major Parades Grant unless that City support is directly related to the parade event. If, however, the organization producing the parade receives indirect support for the parade by the City those expenses and the corresponding donation in-kind by the City will not be included as part of the applicant's eligible expenses.

The grant payment will be made to the Applicant within a reasonable period of time following the submission of a financial report and verification that the event occurred. If the actual expenses and revenues associated with a parade are such that an unanticipated surplus is realized, the EAC Parade Grant Committee may reduce the amount granted to the organization. Applicants will be given an opportunity to describe the reason for and possible internal uses of that surplus.

## **Terms and Conditions:**

Applications will be evaluated by a Parade Grant Committee appointed by the Edmonton Arts Council. The Committee will base its evaluation on the General Principles and Guidelines of City of Edmonton Bylaw 14157 and Policy C211F: Community Investment Grants to Organizations and Individuals and will consider the following:

- the eligible operating expenses of the parade;
- the number entries in the parade;
- the number of spectators attending the parade.

The Parade Grant Program is primarily intended to support the expenses incurred that are directly charged to the parade organizers by the City of Edmonton. Therefore the EAC Parade Committee will place priority on eligible applicants who have incurred these costs, and, in making grant recommendations will place priority on the recovery of those costs.

## **Application Deadline: March 1, 2010:**

Applicants must submit a completed Edmonton Arts Council Parade grant application. Applicants will be notified of the Parade Grant Committee decision on or before April 30, 2010.
